Logistics space for the world's greatest ambitions

Goodman is a global integrated property group that owns, develops and manages logistics and business space. We have an extensive development pipeline for flexible and functional logistics space across Europe. Our integrated customer service offering is at the heart of everything we do. Working with customers throughout each stage of a project allows us to develop a thorough understanding of their needs, resulting in long term relationships and creative solutions.

This document has been prepared by the Goodman Group for general information purposes only. Whilst every care has been taken in relation to its accuracy, no warranty of accuracy is given or implied. Images used in this document have been included for the purposes of enabling you to visualise the development concepts. Further, you should obtain your own independent advice before making any decisions about any of the products and/or properties referred to in this document. © Goodman | January 2020
